## APPOINTMENTS

The many friends of member Bols Stribley (former Mayor of Gundagai who now resides in Sydney), will be pleased to know he was recently elected president of St. Joseph's College Old Boys Union.

Bols has been frequently seen entertaining old boys in the Dining Room, and your friends from 'Joeys' wish you a happy term of office.

Well known member, Walter Lambert, has been re-elected to a second one-year term as president of the Sydney Chamber of Commerce. He will continue as a member of the Council of Management of the Associated Chambers of Commerce of Australia.

## STOCK EXCHANGE DEBUT

A small company recently made an unobtrusive debut on the Sydney Stock Exchange, and it is interesting to note that 6 of the 8 directors are members of the Club. They are D. Baker, P. Wakefield, P. Crothers, C. Comino, M. O'Dell and G. Loudon.

The average age of the Board is 33 years, and it is believed to be the youngest Board of any publicly listed company in Australia.

## 21st BIRTHDAY REMINISCENCES

An interesting letter was received from Ronald Plater recently when he wrote to thank the Committee for their birthday wishes. Ron recalled that his 21st birthday was spent on the Kokoda Track in the Owen Stanley Mountains in New Guinea where "on that day he was in command of what he believes was the rearmost platoon of the rearmost company in the retreating Australian forces." They spent the day in fox-holes waiting for the enemy to appear. The birthday "feast" came from a tin of powdered milk kindly produced by his platoon sergeant, who had been preciously saving it for an emergency!

A little different from the usual 21st birthday celebrations.

## A KING SIZED INDUSTRY

Tom Lancy, who controls a major interest in the "Southern Endeavour", leaves next week for the Gulf of Carpentaria for the operation on a large scale of a prawning project. Keith Goddard, another Club member, will also be on board.

Chairman Frank Carberry met an old member, Jim Collins, at Coolangatta recently. Jim, who received a Military Medal in World War 1, and the M.B.E. for the organisation of the City of Sydney Centenary, wishes to be remembered to all his friends at the Club.

## ON THE RECOVERY LIST

Nice to see Life Member and Committeeman Alf Collins in the Club again after an operation and a short stay in Lewisham Hospital.

## CONGRATULATIONS

Club member Jack Bennett recently won a Holden car in a raffle for charity — nice work, Jack.

Ted Davidson is making a habit of winning the Coonamble Golden Horse-shoe Stakes, winning last year and again this year with Panapak. A very popular win, Ted.

## COMMISERATIONS

Popular member Tom Powell, who moved into his new unit at Park Regis, had an unfortunate accident whilst parking his car. Quite extensive damage to the car but Tom escaped with an injured foot. All your friends at the Club wish you a speedy recovery, Tom.

## COONAMBLE CUP MEETING

Chairman Frank Carberry, Treasurer H. (Barney) Fay, Committeeman Les Tidmarsh, and a large number of members visited Coonamble for the Cup meeting recently. They all reported an excellent trip and were full of praise for the hospitality of their hosts.

## STARS OF YESTERDAY

Irwin Ireland recently entertained two famous rugby league stars, Harold Horder and Cec Blinkhorn, in the Club. Both are rated among the great players of league and represented Australia on many occasions.

## OVERSEAS

A letter was recently received from Terry Wilson, who has just completed a one-year appointment on the faculty staff of Northwestern University in Chicago, as a lecturer in dentistry. While in Chicago he used the Lake Shore Club where he was made very welcome.

# Booking arrangements for bedrooms

Since our residential section has been completed it has proved to be most popular with members, both local and out-of-town, and a steady flow of members is always seeking accommodation. However, the increased facilities now available provide for greater numbers than before and, for the present at least, it is only on the rarest occasions that the Club is in a position where it cannot take a booking. For the most part accommodation is always available and members are urged to use the Club for residential purposes whenever the occasion arises.

The bedrooms leave nothing to be desired in first class accommodation. Furnishings are tasteful and relaxing, as the photograph of a typical room clearly shows. Most bedrooms have their own bathroom and toilet facilities. The rooms where this is not the case are situated adjacent to the general bathrooms for maximum convenience to the occupants.

Members who have stayed in the Club are unanimous in their opinion that our accommodation

compares more than favourably with Sydney's first class hotels. The tariff, however, is quite modest for this standard of accommodation and is as follows:

Bedroom with bathroom, \$8.00 per day.

Bedroom without bathroom, \$6.00 per day.

This tariff includes several extras which are not normally available elsewhere.

The swimming pool on the third floor is open to residents, who like an early morning swim, up to 9 a.m. and is free. Also provided at no cost are morning tea, newspapers and breakfast.

So if members need accommodation in Sydney it is hard to find better or more economical residence than the Club.

# Lynwood Country Club

By this time brochures will have been received by those people who were included in a list prepared by the Lynwood Country Club Committee, inviting them and their friends to join this Club.

Applications are flowing in steadily, and those who are contemplating joining the Country Club are asked to complete and mail their application forms as soon as possible.

Although the closing date for foundation members was shown as being the 30th September, this date has been extended until the required 500 foundation members are received.

It has been intimated that debentures will be required from members of the Country Club to partly finance the acquisition of the property. Early indications are that this will be necessary, and members will be invited to invest in interest-bearing debentures on a short term basis.

However, it is emphasised by the Country Club Committee that it will not be obligatory for members of the Country Club to take up debentures, which will be issued in multiples of \$50, and will probably carry an interest rate of 6% per annum.

The formal registration of the Country Club is now proceeding and all foundation members will be issued with a copy of the rules, etc., as soon as they are available.

Further brochures and application forms are available to other interested parties either by calling at Suite 1, 8th Floor, 17 O'Connell Street, Sydney, or by telephoning 28 2228 or 28 9075.

# Roman Consul proves it with second Chelmsford

Roman Consul, until then a graduation performer, created a sensation when he beat Winfreux in Tattersall's Club's weight-for-age Chelmsford last year, but he proved that it was no freak performance when he repeated the victory this year at Randwick on September 14.

It was a disappointing field of three runners, but Roman Consul put the hall-mark of quality on this year's performance by defeating the Derby winner, Swift Peter, and running time 1 49 3/5 which closely approached record figures.

The 1951 Melbourne Cup winner, Delta, won three Chelmsford stakes in succession and in the third in 1952 he established a new nine furlongs record for the race with 1 49 1/4 which also became the Australasian record.

Roman Consul's 1967 Chelmsford victory was achieved on a heavy track in which the nine furlongs proved very slow, 1 56.1/10. In the circumstances it was a game performance to run down the brilliant Winfreux to score by a neck.

On that performance Roman Consul was rated a Derby prospect but when he appeared to have the race at his mercy along came Swift Peter and his own stablemate Great Exploits to put him into third place.

He improved on that with a second to Savoy, beaten only three quarters of a length in the Victoria Derby a month later.

Much credit goes to the perseverance and patience of owner Len Plasto and Trainer Tom Smith for their delaying tactics in the future racing of Roman Consul. He had won only two races when brought back from a spell for his four-year-old Spring Campaign of the new season.

But the stable policy appears certain to pay dividends. At his first start he won a Warwick Farm Flying at 15/1 in July, was third in another Rosehill Flying in August to Royal Rene and Winged Beauty.

From that point on he began to thrive to such an extent that trainer T. J. Smith declared him a certainty to win our Club's Chelmsford Stakes and the Metropolitan to boot. He fulfilled the first leg of that double, and continues to progress so persistently that he seems certain to reach the high standard of racing earlier predicted for him.

At that it will be a little overdue for Roman Consul's owner, Mr. Len Plasto

who has been a popular member of Tattersall's Club over the last 34 years. Owner of numerous hotels he became chairman of the United Licensed Victuallers, a position he maintained for nearly 20 years, during which he was also elected national chairman for Australia for a period.

Mr. Plasto has been a consistent supporter of the Turf but his colors had had little luck until he paid \$3300 for Roman Consul at the New Zealand sales of 1966.

The Chelmsford was a peculiarly run race with Geo Moore using his whoa-and-go tactics which he adopted in some past weight-for-age events. Like a concertina, he varied his mount's lead in the race between four and two lengths.

Whether this bamboozled Ray Selkrig the rider of Swift Peter, may be open to doubt. But in the writer's estimation the best horse won, whatever the effect of the concertina action. The margin of three quarters of a length plus the excellent time recorded proved this.

## \$5000 IN LATE RETURN

Dawn's Pride brought \$5000 at the New Zealand yearling sales three years ago because she was by Agricola, sire of metropolitan winner General Com-

mand, and numerous classic winners in Australia and New Zealand.

Her purchaser was trainer T. J. Smith of Sydney acting for Mr. and Mrs. F. Harder with hopes of a development of stamina which would bring rewards in the big Spring and Autumn classics for three-year-old fillies.

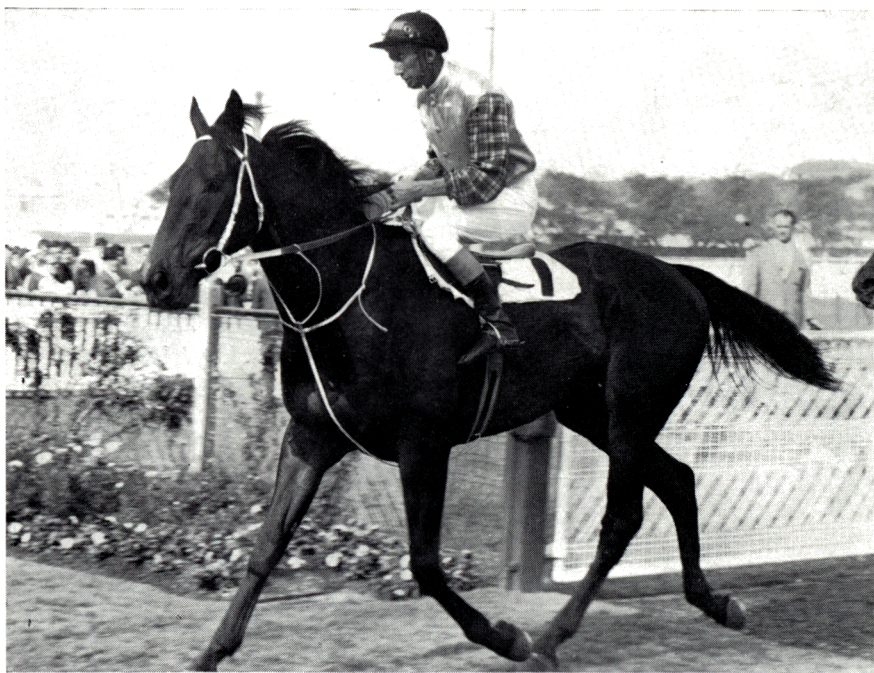

She did get a run in the Randwick A. J. C. Oaks 1 1/2 miles but failed to reach standard, and after being prominent to the last half mile she finished fifth to Adelaide filly, Lowland.

All Dawn's Pride managed was a brace of wins in Canterbury graduation races.

However, she made some amends with success in our Club's Furious Stakes for mares and fillies over seven furlongs at Randwick on September 14.

While the speedsters were making haste K. Langby kept Dawn's Pride under double wraps and wide out because she is field shy until well into the straight. Once over the rise he gave her full rein and she scored a handsome neck victory over Traditional, who found the seven furlongs just beyond her with Star of Venus (unlucky in a pocket in the straight) a close third.

So although she missed out as an early stayer, the Dawn's Pride buy may now prove a satisfactory venture. Her Furious Stakes run was only her second

after a spell and improvement may come with further winning prospects as a four-year-old mare.

## FOUR WINS FROM SEVEN STARTS TO TRAINER T. J. SMITH

It was a feather in the cap of a trainer who has been a member of Tattersall's Club since 1948 to run seven horses at the Club's Spring meeting at Randwick on September 14 and win four races. The trainer was Tommy Smith and the horses were, in their order of success, Dawn's Pride, Roman Consul, Prince Grant and Jupiter.

Tommy Smith says he has won four races on a single day's programme 20 times.

In his September 14 triumphs Dawn's Pride was a 7/1 chance comparatively neglected in the betting, but his next two, Roman Consul 10/9 on and Prince Grant 9/4, were favorites with the public.

But the punting public turned their backs on Jupiter and his odds drifted from 7/2 to 7/1.

But that did not prevent his winning in a tight finish from dead-heaters Mullen's Lane and Matey.

Jupiter, a high priced luxury yearling buy at \$32,800, was boomed even before he began racing, and throughout his early career.

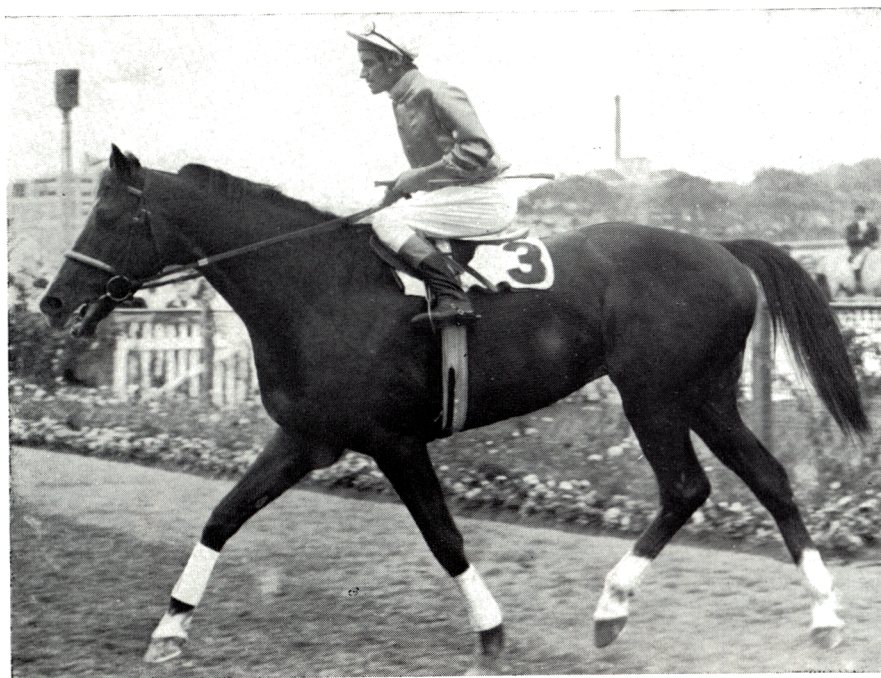

But he won only four races of modest standing before he was found to be suffering from some ailment which necessitated a prolonged spell.

There were hopes of a return to form when he came back and began to show track promise to such an extent that after two preparatory runs he was sent out a 5/4 favorite for a Rosehill nine furlongs Welter on August 31. He finished an inglorious 13th in a field of 15. For most Turf critics that led to a total renunciation of Jupiter. But just to outwit these critics he galloped better than ever in the week before our Tattersall's meeting. But punters still refused the lure, saying it was a sprat to catch a mackerel, and they turned their backs on him.

But with a change of jockeys (after an injury to Schumacher) to Des Lake came to light in a tight finish to win our Club Welter by the proverbial whisker.

It might have been Lake's drive which did the trick, who can turn it on when necessary. He had won the two previous races on Royal Rene and Prince Grant. He must have called up a super jet force in the last few strides of Tattersall's Welter which simply made Jupiter pull out something better than he had ever achieved before.

The writer hopes he continues to do this. He is a fine, big, strong horse who could be anything if driven to it in the Lake manner.

*An overwhelming win for Royal Rene in the Tramway Hcp, a famous name-race on Tattersall's Club's annual Spring programme at Randwick.*

## LONG WAIT FOR A FAMILY OF FOUR

A family of four had a long wait for Prince Grant to resume as a winner, and another agonising delay to see if he got the verdict in Tattersall's Club's Spring Handicap at Randwick on September 14.

The family consisted of Mr. and Mrs. W. J. Bradshaw and their married daughters Mesdames M. O. Kellett and R. K. Mason, registered owners of this earlier handicap and weight-for-age champion stayer.

Prince Grant had won 11 races including the Derby and Sydney Cup at Randwick. But he notched his last success for two years when he won the Colin Stephen Stakes weight-for-age at the A. J. C. Spring carnival in October 1966.

A six months spell saw him return to training, a thoroughly revived six year old this season, however, and a long preparation began in July which renewed his acquaintance with number one stall at the weighing-in for our Club's Spring Handicap.

While they awaited the half head verdict over Raad for Prince Grant his backers were getting ready to roast Lake if he lost for beginning a run round the field to lead into the straight as far back as the half mile. It was a daring move, but Lake says he likes to adopt such tactics when he feels that a horse is going generously, and this was the case with Prince Grant. Anyhow he proved right in this instance, meagre as the verdict was.

The A.J.C. handicapper, Ken Goodwin, had his critics for giving Prince Grant 9.7 in recent races, but what about Raad. Prince Grant justifies a tall handicap for 11 past wins. Raad had 8.11 for only four wins. Unlucky and close seconds have dogged Raad and Lake's hurried advance to the lead in our Spring Hcp. was wise in the circumstances, for, ridden otherwise, Raad would have been near enough to catch and defeat him.

Mr. W. J. Bradshaw, one of Sydney's big building contractors came into Turf prominence when he won the 1954 A.J.C. Derby with Prince Delville trained by Stan Lamond, a senior member of our Club but now retired from training. Prince Delville also won the Xmas Cup and Anniversary Handicap.

Mr. Bradshaw has always shared ownership of his horses with his wife and daughters.

He has been a member of Tattersall's since 1960.

# NEW SINGLES CHAMPION — HAROLD HILL

At Rose Bay on Thursday, 19th September, the singles championship and handicap pairs were decided and some very good bowling was witnessed, especially the singles championship between Harold Hill and Jack Kellaway.

These two players turned on some magnificent bowling with only a couple of shots being the difference throughout the game. Harold brought out the whip near the end and managed to put the pressure on Jack, winning by 31 to 25. Congratulations, Harold, on such a good win against a player like Jack Kellaway. Jack's only remark was that Harold was too good. Bad luck, Jack, but congratulations on being such a good sport.

The pairs handicap was won by our old friend, Tim Renensson, and one of our new players, Bill West. Congratulations boys—you certainly were on your game to defeat players like Tim Anderson and Stan Chatterton by such a big margin of 27 to 10. Better luck next time, Stan and Tim.

It was very pleasing to see two of Tattersall's Club Bowling Club's foundation members in Stan Chatterton and Harold Hill competing in the finals. These players have been with us for many years and we hope that they will be with us many more. Best wishes to you both.

On the 27th August, Tattersall's Bowling Club went to Ashfield and played that club for the Ashfield Trophy and we were successful in winning by 16 points. The best rink for Tattersall's was President, Dr. Fuz Porter, M. Barnett, S. Peters and J. Kellaway who won by 33 to 13. Good bowling boys.

On the 10th September sixteen players of the Tattersall's Bowling Club led by our President, Dr. Fuz Porter, journeyed to Newcastle to contest the Eric Smith Trophy between Newcastle Jockey Club, Newcastle Tattersall's and City Tattersall's. Unfortunately, we were not good enough and the winners were Newcastle Jockey Club. Although our boys were not successful on the green I heard that they had a winning day at the Cameron Handicap race meeting on the Wednesday.

The highlight of the trip was the presentation of a pipe by Ron Young, President of City Tatts Bowling Club, to our President, Dr. Fuz Porter. They say that he has had his present pipe since he left the University.

Anyway this certainly put Fuz in a good frame of mind for I heard he excelled with his jokes in his reply to the presentation. By all accounts it was a very pleasant three days and as always the Newcastle hospitality was excellent. Congratulations, Newcastle, and many thanks. Sorry I missed out on the trip.

In the next edition of Tattersall's magazine I will give you details regarding the Harry Davis Trophy which is scheduled to start very shortly now that all our competition games are over.

It is with the greatest pleasure that we welcome to the ranks of Tattersall's Club Bowling Club two new members in Joe Tofler and Sir James Kirby, the latter whose name is synonymous with the industrial progress of our great country.

Jim (to his friends) is a philanthropist of the highest order, a dyed-in-the-wool sportsman at golf and bowls, and a prominent supporter of the 'Sport of Kings'.

Jim, we of Tattersall's Club Bowling Club look forward to the privilege of getting to know you better in the friendly atmosphere that is a feature of our Club games

# Snooker & Billiards Successful Year

With the 1968 season rapidly drawing to a close the competitive interest is now confined to the closing stages of our Billiards and Snooker Championship which will be completed by the time this issue of our magazine is in circulation.

Finalists in the Snooker Championship are George Mousally and Ben Gerakiteys and the clash of these two should produce a game of the first order.

Perennial George Mousally, who year after year holds his excellent form, will also appear in the Billiards Championship final when he plays the winner of the Arthur Miller — Hans Robertson semi-final.

And speaking of Arthur Miller, he is surely the grand old man of the game. At the marvellous age of 75 years, a life member of our Club and former Committeeman, Arthur's performance in this year's tournaments is nothing short of amazing for a man of his years, and provides a great example of what can be achieved through tenacity of purpose. He reached the semi-finals of both the Snooker Handicap and Championship Tournaments, and is playing in the semi-final of the Billiards Championship with every likelihood of figuring in the final. Nice going for an old timer, Arthur, and we salute you.

As our players sheath their cues to await next year's big events in the "Bull Ring", we can look back with satisfaction on the success of this year's events with good play and exciting matches very much in evidence, and with good spectator attendances generally the rule. A pleasing feature was the goodly sprinkling of new faces among the contestants and next year we look forward to many more of our new members participating.

## INTER CLUB SNOOKER.

We regret to have to report that since our last results were published, solely through our inability to field our regular strong team, we have lost our undefeated status by losing to Sports Club (away) and to Schools Club (home).

With two matches remaining, we still lead the competition, but it is imperative that we win both of these matches to ensure final victory.

## GOLF CLUB NOTES

Not all of the 68 starters at Cromer Golf Club were appreciative of the lakeside setting on Tuesday, 17th September.

Indeed, the water took its toll and upset many of the aspirants.

However, it was a delightful day once again, and we were very happy with the manner in which Cromer looked after us.

Best of the members, with 38 points from a 14/11 handicap, was Ted Harris, while Alan Wright took out the Visitor's trophy with 36 points.

Results in detail:

### Singles

Member Winner Ted Harris, 14/11, 38 points.

Member Runner-up M. M. Watson, 18/14, 36 points on countback.

Visitor Winner Al Wright, 16/12, 36 points.

### Four-Ball

Winners: Vic Stone, and Joe McMurtie, 42 points.

Runners-up: Fred Brandt and Colin Campbell, 41 points on countback from Laurie Naughton and Ted Sherlock, also on 41 points.

Notes for the Diary:

Killara on Thursday, 10th October.

Manly (Championship Day) on 28th November.

In travel  
there can't  
be  
'too many'  
**COOKS**

There's a lot to be said for the old adage 'too many cooks spoil the broth' but it certainly doesn't apply to travel! And there are over 400 Cooks offices in 57 countries to prove it!

Sophisticated travellers know how valuable it can be to have the man from Cooks' close at hand when needed. And remember too — Cooks handle every type of travel from Conducted Tours to Independent Travel — at no extra charge for their 125 years of experience.
